

A simple solution to contractor accounting needs

The right advice for your specific situation...

We can advise on the benefits of a Limited Company structure as opposed to remaining sole trader or partnership, and additionally, can form a company on your behalf, organise a bank account, register you with the VAT, Corporation Tax and PAYE departments of HMRC and if you so wish, act as your Company Secretary and registered office.

We will advise on the optimum VAT and tax set up for your circumstances as there are a number of schemes which may minimise your liabilities. We can also supply you with customised spreadsheets to record your income and expenditure, reducing bookkeeping time which in turn helps to keep fees low – simply upload your file via our secure client portal on the website, and we'll take it from there.

If you are thinking of leaving permanent employment and moving into contracting or freelancing, contact us today on 029 2071 3800 or email mail@evansentwistle.co.uk
